

Recommend Books

Here are some of my absolute favorite books and extras that have helped to shape me and the way I approach my family and business. I hope you find them as helpful as I have! 😊

- [Equipped to Execute](#) – Rebekah Scott 😊
Yes, I wrote a book! I believe you can be a successful entrepreneur AND a world-class mom and my book is a road map for how to do it. I walk you through my systems and help you prioritize your roles so you can experience personal and professional success!
- [A Woman After God's Own Heart](#) – Elizabeth George
This book taught me the importance of nurturing and how to treat my family.
- [The 4-Hour Work Week](#) – Timothy Ferris
This book taught me how to laser-focus on my business, especially how to simplify my projects and life.
- [Don't Make Me Count to Three!](#) – Ginger Hubbard
I learned how to properly discipline my children through reading this book. There is a huge difference between heart issues versus behavior issues. Most of the time, it is issues of the heart and this book showed me how to handle them.
- [Secrets of a Millionaire Mind](#) – T. Harv Eker
This book taught me to dream bigger!
- [The Compound Effect](#) – Darren Hardy
I learned that small changes make big results! This book has awesome guided readings!
- [Relationship Breakthrough](#) – Cloé Madanes
I learned how to transform the relationships in my life through reading this book!
- [Bringing Up Boys](#) – Dr. James Dobson
This book taught me the differences in genders and how to act accordingly with my children.
- [Bringing Up Girls](#) – Dr. James Dobson
This book taught me the differences in genders and how to act accordingly with my children.

- [The Life Changing Magic of Tidying Up](#) – Marie Kondo
From this book, I learned the importance of decluttering, simplifying and having a place for everything in my home.
- [The More of Less](#) – Joshua Becker
I consider Joshua Becker the leading expert on minimalism and was lucky enough to have him as a guest on The Encourager (click to listen to [part 1](#) and [part 2](#) of my interview with him).
- [Dump Dinners](#) – Cathy Mitchell
No joke, this is my GO TO cookbook for quick and easy recipes for my family!
- [Two Chairs](#) – Bob Beaudine
This book has changed my morning routine by challenging me to sit, be still and have a conversation with God.
- [The Miracle Morning](#) – Hal Elrod
If you aren't a morning person, I can't recommend this book enough. It taught me to wake up early and LOVE it!
- [Profit First](#) – Mike Michalowicz
I can't recommend this book enough if you have a business. I have learned SO much about the importance of knowing my numbers.
- [Gist: The Essence of Raising Life-Ready Kids](#) – Michael W. Anderson
This book is all about how to raise kids that are responsible and ready for life. We select one or two things as a "focus" for each child and they vary based on the personality of the child and their age.
- [The Five Love Languages](#) – Gary Chapman
This book is all about how people give and receive love differently. Understanding our love language is important but knowing how the special people in our lives want to be loved is also key!
